

September 2020

Dear Incoming Fifth Grader and Family,

The fifth-grade team is excited about the year to come! We know that you are ready to embark on your last year at Bullock. Together we can make it your best year yet, even during these difficult times.

One of the biggest responsibilities this coming school year is that you are in charge of your own work, so you will need to be very organized. If you are not known to be organized, you are in luck because we're here to help you. Each day fifth graders are expected to come to our virtual meetings well-rested and prepared with school supplies, assignments, and a positive mindset.

Below is our "traditional" 5th grade supply list. We have provided you with a copy just in case you want to take advantage of sales before they end. Students will only need these supplies when resuming learning in the building. For remote learning, you will need a notebook for each subject, pencils, a computer, wifi, and a quiet working environment.

We can't wait for school to begin! Enjoy your summer and we'll see you in September!

Best,

The 5th Grade Team

***** Please note that all students need to have their personal supplies and will not be able to share supplies once we return to school this year. This is in order to minimize the spread of germs. If for whatever reason you are not able to obtain these supplies, please contact Mrs. Gutierrez. *****
